

## **STATEMENT OF CONDOLENCE**

**INTERCIENCIA** expresses its deepest sorrow for the loss of life, suffering, and grief caused by the recent disasters that have affected Venezuela.

As a scientific journal founded in Venezuela and committed to the well-being of the peoples of the Americas, we join the Venezuelan people in mourning and express our solidarity with the families of the victims, those affected, and all those engaged in rescue, relief, and recovery efforts.

**To the Venezuelan people**, we extend our heartfelt condolences and our wishes for strength, hope, and a prompt recovery for the country and for all those affected.
